- iv) **Devon Cricket League Management Board (DCLMB)**

Role and purpose of the Management Board

- a. Background

At the 2016 AGM of Tolchards Devon Cricket League a new constitution was adopted. The aim of the new document was to take a fresh look at how the league was managed and promote a different way of working. Previously the function of the General Management Committee (GMC) had mainly become one of agreeing the work undertaken by the league Executive Management Committee (EMC). A change to having an OMC and PRRMC has given a fresh impetus, and purpose, to both committees. However, because there is no line of accountability between the two committees, it was felt that in order to achieve clear and transparent governance, an overall Management Board should be put in place.

- b. Composition

During the summer DCL member clubs were canvassed for support on the concept of the Board and asked to put forward nominations. Through this means, together with personal approaches the following have kindly agreed to act: -

Derrick Foan	Bradinch Cricket Club
Paul Mitchell	Abbotskerswell Cricket Club
Mike Medway	Exeter Cricket Club
Mike Cherry	Plymstock Cricket Club

The Board will be chaired by the league president, League/OMC chairperson and PRRMC secretary will complete the Board. The league secretary will service the group by way of administrative support

- c. Purpose

The view of the OMC/PRRMC is that the DCLMB should represent the interests of member clubs. The new League constitution sets out some clear objectives, one of which allows for the League to invest in its member clubs. For the first time, at the league AGM in January 2016, the league published its first management report. This was a simple statement of what had been achieved in 2015 and the aims for 2016. The report was adopted at the AGM. In summary, therefore, we see the Board has having an important role in ensuring that the League is acting in the best interests of its member clubs.
